Notes:

The designs in this package were digitized for their original sizes and may not stitch out correctly if they are altered in any manner. It is highly recommended that you stitch a sample of each design before stitching on your finished product. My samples were stitched on muslin, using 40 wt. Sulky thread and one layer of medium wt. cut-away stabilizer (which I hooped with the muslin).

All designs are non-refundable. If you have any problems downloading or unzipping your designs, please contact me and I will resend them.

All designs and design data in this package are copyrighted (c) 2008 by Designs Sew Fine. Purchasing of the designs is only a license to use the designs to embroider on items for personal use and/or resale. Copying, lending, selling, reselling (including any auctions) and/or sharing of any files in this collection is strictly prohibited and is in violation of title 17 U.S.C., et seq. No other permission is written or implied. Designs are based on semi-exclusive artwork by EmbroideryArtsite.com.

All designs released by Designs Sew Fine have been tested extensively before they are marketed. We will not be held liable for any damages or losses incurred as a result of using any of our designs.

The images shown below are images of actual stitchouts. I used Sulky #2245 (variegated) for this collection. Of course, you can use any color thread you like, but the blended/variegated threads look great for redwork designs.
