Note: The designs in this package were digitized for their original sizes and may not stitch out correctly if they are altered in any manner. It is highly recommended that you stitch a sample of each design before stitching on your finished product. My samples were stitched on muslin, using 40 wt. Sulky thread and one layer of medium wt. cut-away stabilizer (which I hooped with the muslin).

Packages are non-refundable. Damaged CD's can be returned for identical collections only. Every effort was made to ensure the CD is error-free. If, for some reason, the CD cannot be read or is defective, please contact me immediately and a replacement CD will be sent to you.
