NOTE: If you make any changes to any of the files, you will not be able to save it on the cd. You will need to save the revised design to a floppy disk or a folder on your hard drive.

Note: The designs in this package were digitized for their original sizes and may not stitch out correctly if they are altered in any manner. It is highly recommended that you stitch a sample of each design before stitching on your finished product. My samples were stitched on muslin, using 40 wt. Sulky thread and one layer of medium wt. cut-away stabilizer (which I hooped with the muslin).

Packages are non-refundable. Damaged CD's can be returned for identical collections only. Every effort was made to ensure the CD is error-free. If, for some reason, the CD cannot be read or is defective, please contact me immediately and a replacement CD will be sent to you.

All designs and design data in this package are copyrighted (c) 2008 by Designs Sew Fine. Purchasing of the designs is only a license to use the designs to embroider on items for personal use and/or resale. **Copying, lending, selling, reselling (including any auctions) and/or sharing of any files on this CD is strictly prohibited and is in violation of title 17 U.S.C., et seq.** No other permission is written or implied. Based on semi-exclusive artwork by EmbroideryArtSite.com.

All designs released by Designs Sew Fine have been tested extensively before they are marketed. We will not be held liable for any damages or losses incurred as a result of using any of our designs.

NOTE: If a design shows more than 1 color change, use the same color for entire design. This was done so you don't have to clip any threads. Thread used: Sulky (blended) # 2132
