### **INSTRUCTIONS FOR EMBROIDERING THIS TWO PART DESIGN**

Draw a vertical line on your fabric, using your plastic template center this vertical line in your hoop, embroider "1 Xmas Decoration" first, do not cut the thread from the last stitch use it to help you line up the first stitch of "2 Holly", hoop up again using the vertical line as before, if you center the last stitch of "1Xmas Decoration" in your hoop you will have room to move your start stitch into place in your embroidery machine's layout option.

**HELP PFAFF 7000 SERIES** – The design is embroidered in one part but the Pfaff embroidery machine splits the design into two Frames after approximately 14,500 stitches .
