Merry Christmas

**Disk No: DC-1089
Color Chart**

Includes both 5"x7" & 4"x4" sizes
(NOTE: 5"x7" size not available in PCS or SEW format)

Note: The designs in this collection were digitized for their original sizes and may not stitch out correctly if they are altered in any manner. It is highly recommended that you stitch a sample of each design before stitching on your finished product. My samples were stitched on muslin, using 40 wt. Sulky thread and one layer of medium wt. cut-away stabilizer (which I hooped with the muslin).

All designs and design data in this package are copyrighted (c) 2008 by Designs Sew Fine. Purchasing of the designs is only a license to use the designs to embroider on items for personal use and/or resale. **Copying, lending, selling, reselling (including any auctions) and/or sharing of any files on this CD is strictly prohibited and is in violation of title 17 U.S.C., et seq.** No other permission is written or implied. Designs based on purchased semi-exclusive artwork by Clipartopolis. All sales are non-refundable.

All designs released by Designs Sew Fine have been tested extensively before they are marketed. We will not be held liable for any damages or losses incurred as a result of using any of our designs.

The images shown below are images of actual stitchouts. I used Madeira multi-colored thread #2106 (red, green, white) to stitch out the background swirls in these designs. The swirls will always be the first part of the design to stitch out. Of course, you can use any color thread you like. The red border around the image is not part of the digitized design.
